

**WHO TO CALL FOR MAINTAINANCE, ISSUES, COMPLAINTS,  
SUGGESTIONS, INQUIRIES and PERMITS at MARY O'MALLEY PARK:**

Mary O'Malley Park is a state park and is run by the Massachusetts Department of Conservation and Recreation (DCR), which was formerly known as the Metropolitan District Commission (MDC).

Acquired from the federal government after the closing of the historic Chelsea Naval Hospital, the park has striking views of the harbor and the Tobin Bridge over the Mystic River. A boat landing and shelter are located on an historic granite pier and a wind sculpture by William Wainwright enlivens the waterfront. Tennis courts and a large open lawn area for concerts and picnics are also available. The park is open year-round, dawn to dusk.
